REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant's amendment to claims 2, 7, 9-13, the cancellation of claims 1, and 4-6, and the addition of claims 19-24 filed in the response on 1/13/05 are hereby acknowledged. Claims, 2-3, and 7-24 are currently pending in this application.

In light of applicant's amendment and remarks filed on 1/13/05, previous 112 and 102(b) rejections of record are now withdrawn. The newly submitted claim 19, in conjunction with claims dependent thereon, are devoid of monomer (a) previously presented in claim 1, now cancelled. As indicated in the previous office action mailed on 10/19/04, the remaining functional monomers expressed in the context of the instant process claims, are not fairly suggested or disclosed in prior art of record, taken alone or in combination with others. Accordingly, the instant process as defined in claims 2-3, and 7-24 is now allowable with respect to closest prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
